香云系列

Xiangyun Collection

一莨一香云；一布一芳华 "。香云纱，这一古老而珍贵的织物，以薯莨为染料，经独特的染整工艺，在时光中沉淀出独有的韵味。

香云系列由此而来，以非遗香云纱为魂，将三蒸九煮十八晒的匠艺凝于床头，用现代的设计语言低调却不失高雅地诉说着古人所言 " 香令人幽 " 中那份清幽——让沉睡的香云纱在当代生活里苏醒，续写慢时光的芳华。

As the ancient saying goes: “One lian, one fragrant cloud; one fabric, one radiance.” Xiangyun Sha (gambiered Guangdong gauze)—an ancient ICH fabric dyed with lian (Dioscorea cirrhosa)—has refined its charm through unique craftsmanship over time.
Thus, the Xiangyun Collection is born: taking ICH Xiangyun Sha as its soul, it embodies “three steamings, nine boilings, and eighteen sun-dryings” in the bedhead, speaking softly yet elegantly of the tranquility in “Fragrance Evokes Tranquility.”
It awakens Xiangyun Sha in contemporary life, continuing the radiance of slow living.

创新性地将传统编织工艺运用于床头屏设计，以独特编织方式组成有秩序的格状图案，突破面料常规应用形式，皮革包边与香云纱编织相互映衬，不仅加固保护香云纱边缘，而且香云纱编织纹理透过皮革勾勒更显精致。

Innovatively applying traditional weaving techniques to headboard screen design, forming orderly grid patterns through unique weaving methods, breaking the conventional use of materials, with leather edging complementing Xiangyun silk weaving, not only reinforcing and protecting the edges of the silk but also highlighting the intricate texture of the weaving through the leather.

景泰・致远

Cloisonn é ・ZhiYuan

“蓝若苍穹星璀璨，石如美玉韵悠长” 景泰蓝工艺肇始于元明，承载千载风华，其材质凝萃天地灵韵，釉色流转间尽显瑰丽雍容。

景泰·致远，前撷工艺精髓以彰底蕴，后承 “酒令人远” 之超然意境。

将景泰蓝奢石于家居空间中精妙铺陈，随石韵抵达“心远地自偏”的精神之境，尽显诗意。

"Blue as the firmament adorned with twinkling stars; Stone like fine jade exuding enduring charm." Cloisonn é craftsmanship, originating in the Yuan and Ming dynasties, carries thousands of years of elegance. Its materials embody the essence of heaven and earth, and its flowing glazes reveal magnificent grace.

Cloisonn é ・Zhi Yuan draws on the craftsmanship's essence to highlight its heritage, while inheriting the transcendent artistic conception of "Wine evokes transcendence." Ingenuously incorporating Cloisonn é luxury stone into living spaces, it allows the stone's charm to lead one to the spiritual realm of "A peaceful mind makes a distant world"—fully revealing poetic grace.

景泰沙发

Cloisonn é sofa

流畅线条勾勒方正轮廓，暗合中式建筑对称秩序，尽显沉稳庄重，抱枕缀珍珠装饰，
如星辰散落，细节处藏柔婉精致。

Smooth lines outline a square contour, subtly echoing the symmetrical order of Chinese architecture, exuding a sense of calm and solemnity. The cushions are adorned with pearl decorations, like scattered stars, with delicate and refined details hidden in the subtleties.

蒙德里安以几何与原色构建秩序美学　　景泰沙发借鉴其理念，背部以几何切割重塑背部轮廓，将珍稀景泰石大面积镶嵌其上。并巧用斯卡帕叠级手法，将木质模块有序阵列，体块凹凸错落成立体韵律，以金属条嵌入其间赋予轻奢质感，迸发独特视觉张力。

Piet Mondrian constructed ordered aesthetics through geometry and primary colors. Drawing on this philosophy, the Cloisonné Sofa redefines its backrest contour with geometric cutting, featuring large–scale rare Cloisonné stone inlaid on the surface.Ingeniously adopting Scarpa–style stacking (inspired by Carlo Scarpa), the sofa arranges wooden modules in an orderly manner—concave and convex blocks form a three–dimensional rhythm. Metal strips embedded in between endow it with light luxury texture, unleashing unique visual tension.

天籁系列

Celestial Melody Collection

“独坐幽篁里，弹琴复长啸”琴音悠悠，引心入寂。

天籁系列由此而来，床头以大气的斜纹线条为韵，似琴弦延展，韵律暗藏。线条交错间，静谧弥漫，如琴语轻叩“琴令人寂”之境，恰合“天籁”琴音之超凡。以现代笔触重构中式韵律，打造既具东方雅韵又含当代审美的静谧卧室空间，让居者在简雅秩序中聆听心灵的无声之籁。

The bedhead takes grand diagonal lines as its rhythm, resembling extended zither strings with hidden cadence.Between the interweaving lines, serenity permeates—like gentle zither whispers echoing the realm of "the zither brings serenity," perfectly embodying the transcendence of "celestial melody" (natural, ethereal sound).

Reconstructing Chinese rhythm with a modern touch, it creates a serene bedroom space that blends Oriental elegance with contemporary aesthetics—allowing residents to listen to the silent melody of the soul amid simple and elegant order.

古踵新坐，承意融今

Ancient Heel Support, Modern Seating
Inheriting Wisdom, Blending Eras

西汉 “支踵” 为跪坐辅助具，形似 T 形木器，夹于小腿间支撑臀部、减轻脚跟压力，藏古人应对久坐不适的巧思。
至御长凳从中汲取灵感，通过加长来重塑支撑逻辑；凳面采用弧面设计，贴合人体曲线，
恰似 “支踵” 承托臀部的体贴。而底部则设计为如 “墩” 般稳定的基座，皆延续 “支踵” 对舒适的追求。

By extending the structure to redefine its support logic, the seat features a curved surface that conforms to the body's contours, while the base is designed as a stable, “stump–like” foundation—both elements continuing the pursuit of comfort embodied in the concept of “supporting the heels.”

呼应东方园林 “藏天纳地” 造境智慧，木面水纹如归堂流瀑，潺潺纹理复刻 “雨水归心” 的诗意。

Drawing inspiration from the "symmetrical dignity and glory" of bronze tripods from the Shang and Zhou Dynasties,it is adorned with cinnabar red glaze—three vertical pillars resemble the supports of a tripod body.Employing modern embossing technology to reproduce the texture of a tripod,it implicitly embodies the aura of "tripod standing firm under heaven and earth."

轻妤系列

Qingyu Collection

苏轼有词：“竹杖芒鞋轻胜马，谁怕一蓑烟雨任平生。” 字里行间，以杖寄怀，轻盈豁达之意尽显。

轻妤系列灵感即源于此，承竹杖洒脱之意，以简约笔触、柔和色调勾勒雅致之境。

布局舒朗似竹杖点化心境，让居者抛却烦忧，于细节处感受身心轻盈，既得 “杖令人轻” 的自在，亦享 “妤” 之优雅，诠释诗意栖居的双重意境。

Su Shi once wrote: "With a bamboo staff and straw sandals, lightness surpasses a horse; who fears a raincoat in misty rain, living freely through life." Between the lines, the staff conveys a sense of carefree openness. The Qingyu series draws its inspiration from this, embracing the free-spirited essence of the bamboo staff, sketching an elegant realm with minimalist strokes and soft tones. The layout is as relaxed as the staff guiding the mind, allowing residents to cast away worries and feel lightness in body and soul through the details, enjoying both the ease the staff brings and the elegance of 'Yu', embodying the dual charm of poetic living.

The Qingyu sofa reshapes its contour with the 'flowing enclosure' form of water sleeves — the armrests and backrest are integrated, naturally entwining like water sleeves on a stage, forming a semi-enclosed, soft curved boundary. It not only retains the elegant flow of water sleeves but also creates a space where the sitter feels 'embraced by Oriental poetry'.

解构重组·茶几的艺术破界

Deconstruction & Reconstruction Breaking Boundaries in Coffee Table Art

轻妤茶几巧用解构重组的设计手法，打破传统规整的平面形态。
将不同形态的部件重新组合——实木、大理石、黄铜材质进行拼接，借几何穿插造空间层次，打造出别具一格的茶几造型。不仅能分区置物，还能当展示台，让茶几成“空间小艺术”。

The Qingyu coffee table cleverly uses deconstruction and recombination design techniques to break the traditional orderly flat form. Different shaped components are recombined – solid wood, marble, and brass materials are pieced together, using geometric interlacing to create spatial layers, resulting in a unique coffee table design. It can not only divide storage areas but also serve as a display platform, making the coffee table a "small piece of art" in the space.

Drawing inspiration from Eastern elegance, the traditional ingot auspicious outline is incorporated into the sofa, using the gentle curves of the ingot to subtly embody the auspicious meaning of 'gathering wealth'. Soft, pale jade–like tones and a solid wood frame replicating the firmness of ancient ingots deconstruct traditional symbols of wealth through modern design. This allows the Eastern concept of 'harbouring wealth in the heart, resting in elegance in the home' to flow naturally between sitting and reclining.

茉奈系列

Monai Collection

自古以来，中国人对花情有独钟，深谙 “花令人韵” 之妙，常于花前吟诗作画、品茗抚琴，借花感知生活诗意。

茉奈系列亦循古意，以米白色为主调，仿若茉莉花瓣纯净，绿色点缀如枝叶鲜活，二者相契，呼应 “花令人韵”，以清雅配色营造东方意境，让居者于空间中感受花之优雅韵味。

The Monai series also follows a traditional aesthetic, featuring a main tone of off–white, reminiscent of the purity of jasmine petals, with green accents resembling lively leaves. The combination of these elements echoes the phrase 'flowers convey charm', using elegant colours to create an Oriental ambience, allowing the inhabitants to appreciate the graceful charm of flowers within the space.

The overall colour tone is warm and soft, with elegant and delicate lines, revealing sophistication in understated style. Inheriting Italian design DNA and breaking traditional forms—the sofa features tufting to echo a vintage feel, while the armchair's streamlined shape suits modern aesthetics. Curved Arc · Danyun Sofa

沙发扶手与靠背的一体弧面，恰似腰封舒展的柔润轮廓，
将腰封中纹理的野性生命力，幻化为编织纹的细腻肌理，如艺术化的“美学织甲”。
金属饰条如腰封环扣般点睛，让靠背与扶手宛若时尚腰封轻拥座身，
在自然纹理与奢华细节的碰撞里，织就一场野性与优雅共生的休憩之诗。

The integrated curved surface of the sofa armrest and backrest resembles the soft, flowing contours of a waist cincher, transforming the wild vitality of its texture into the delicate texture of woven patterns, like an artistic 'aesthetic armour'. In the clash of natural textures and luxurious details, it weaves a resting poem where wildness and elegance coexist.

曲线筑就“优雅环抱”形态，小蛮腰轮廓如曼妙身姿，以暖橙调铺陈奢华底色，
让落座成为“被优雅环抱”的仪式。

Curves create an 'elegant embrace' shape, with the slender waist contour resembling a graceful figure, and a warm orange tone setting a luxurious backdrop, making sitting down a ritual of being 'embraced by elegance'.
